

**STREET CRUISING  
BANNED  
IN BIRMINGHAM**

Failure to comply may lead to **IMPRISONMENT!**

A new High Court order means anyone caught **racing** or joining **unauthorised vehicle rallies** in the City will be held in contempt of the ruling and can be brought before a judge.

Spanning the whole of Birmingham, the Order also covers wider anti-social motoring like riding in convoy, performing stunts, revving engines, blaring horns and playing loud music at vehicle gatherings. It applies at all times, day and night.

This is not just a warning to drivers - **passengers, spectators and organisers** may also be punished for their involvement.

**BEWARE!**

This also includes groups of bikers – on **scramblers** and **mini motos** – causing a nuisance by pulling wheelies and intimidating other drivers

TO REPORT INCIDENTS, CALL **101** WITH DETAILS OF THE CAR OR BIKE.
