08 June 2018

Dear Parent/Carer

We intend to support Year 11 students as much as possible through the examination season and urge families to contact us with any concerns. It is obviously very unfortunate that exams fall on the day when it is likely to be Eid. I must emphasise that this is a national decision, which many schools have complained about unsuccessfully. Therefore, the exams must be taken at the set time. With all examinations, if students do not attend, families will be charged for their examination entry fee. If a student is ill, then medical evidence from a doctor is essential.

Please can I also emphasise the fact that this will be your child's final science exam (Physics). Failure to attend will have a hugely detrimental effect on their overall Science grade and could result in failure for the subject overall.

As a school we would like to offer students refreshments on this day. A selection of pastries and hot and cold drinks will be available from 8:00 am along with an area for quiet study. Students will also receive a confectionary gift when leaving the school.

As always your continued support is greatly appreciated.

May I wish you all Eid Mubarak.

Thank you for your co-operation.

Yours sincerely

Mrs L Petrie
Acting Head of Academy
